Addressees:

Enclosed is a copy of the 1995 FTC cigarette report. We are supposed to be on the distribution list, but we just received it today. If it were not for the efforts of Mr. Pillsbury to get us our copy, we might still be waiting.

The date of appearance in the *Federal Register* is unknown. The varieties described correspond to our Market Sample 36, which was picked up between February 15 and April 1, 1993. TTTL's draft report was January 4, 1994, and the final report, March 3, 1994.

Sincerely,

  
William L. Steele
